## Hail New G.M. Contract As Presaging Long Peace In Industry

### General Motors And U.A.W. Sign 5-Year Contract

Contract Aimed At Five Years Of Labor Peace

DETROIT, May 24.—(INS)—A precedent-setting CIO-United Auto Workers contract aimed at five years of labor peace for the nation's largest industrial corporation—General Motors—was seen today as a promise of stability for the entire national economy.

Announcement of the agreement sent industrial stocks surging yesterday to the highest average since September, 1930. General Motors stocks rose to their highest level since 1929.

The contract grants \$100-a-month company-financed pensions five annual four-cent hourly wage increases for 260,000 workers, a modified union shop, an immediate five-cent pay boost for 30,000 tool and die workers, and improved life and health insurance and vacation plans.

The contract also provides for continuation of the "escalator" clause under which wages of all hourly-paid workers rise and fall with changes in the cost of living index.

Barrier Against Strikes  
The pact cannot be reopened for any reason before May 29. (Continued on Page Two)

### Bond Campaign Starts Thursday

Lawrence County's "Save For Your Independence" saving bond campaign gets underway Thursday.

County Chairman Al Owens has called a luncheon meeting at the Castleton for 12:30 as the kickoff meeting of the drive currently being waged on a nation-wide basis. Representative business, civic, and industrial leaders as well as previously announced committee heads will attend the luncheon. In addition Howard E. Reed, state director of banking and investment, U. S. Treasury Dept.; Glenn F. Cook, deputy director for Western Pennsylvania, and Walter H. Ecker, regional pay roll saving director, will be on hand for the formal launching of the drive here.

Treasurer Secretary John Snyder led the nation-wide kickoff of the drive on May 15 at extensive ceremonies in Philadelphia. The peal of the Liberty Bell was heard on a national radio hook up and a pageant depicting the signing of the Declaration of Independence was presented.

The goal of the campaign is to stimulate savings and to sell \$653,000,000 in series E, U. S. savings bonds.

### PA NEWS OBSERVES

Judging from the loads of blossoms that apple trees in Lawrence County orchards are displaying at the present time, there should be a bumper crop of apples here in the fall. It is hardly likely that any visits of frost this late in the season will blight the crop.

Annual sale of Buddy Poppies will take place on Saturday. Arrangements are being made for the sale in New Castle and surrounding districts. By the sale funds are raised for needy veterans and their dependents.

Mayor John F. Haven yesterday dedicated the police shooting range in the garage where police cars are kept. He fired the first .22 calibre bullet from one of three target pistols, and hit the bull's eye.

### Americans On Formosa Are Advised To Leave Soon

TAIPEI, Formosa, May 24.—(INS)—The U. S. government today strongly urged all Americans living on Formosa to leave the invasion-menaced Chinese Nationalist island as soon as possible.

The advice, coupled with a warning that Formosa may shortly become a battleground, was contained in letters to the 220 American residents of the last major territory still held by Nationalists.

The letter was signed by Robert C. Strong, U. S. Consul General in Taipei, the Nationalist emergency capital on Formosa. Formosa's American residents were further warned that the United States is unable to give them assurance that transportation facilities can be provided in any emergency that may arise.

The warning followed yesterday's denial by Robert Moyer, chief of the ECA mission in Taipei, of a report that he and his staff had been given orders alerting them to be ready to leave Formosa.

WASHINGTON, May 24.—(INS)—Congress was warned today to plug federal espionage act loopholes that permitted theft of thousands of top secret documents in the Amerasia case.

A Republican Senator said the nation may need a tighter espionage law than it had in 1945 if the "cold war turns into a hot war."

Sen. Knowland (R) Cal., insisted upon a wide-open investigation as Sen. Tydings (D) Md., announced that his loyalty inquiry has produced evidence that 99 percent of the government documents taken in the Amerasia case were "casual and unimportant."

Knowland said he will take the Senate floor—possibly today—to review the Amerasia case and present some "new angles" in the hotly-debated matter.

MYSTERY NEEDLE  
ERIE, Pa., May 24.—(INS)—A 47-year-old Erie woman who had a rust-covered needle removed from her left lung dangerously near the heart, couldn't explain how it got there.

The operation, completed yesterday by Dr. August F. Jonas was described as one of the most delicate ever performed at Hamot hospital in Erie.

"I never hold needles between my lips, while sewing," Mrs. Rose Liebrock explained.

FATALLY HURT  
BELLEFONTE, Pa., May 24.—(INS)—Theodore Capberman, 68, was fatally injured last night when he was struck by a car on route 220 near his home at Julian.

The driver, Mrs. Sara Jackson of Blossburg, said she did not see Capberman step from the curb. Police ruled the death accidental. Capberman was the fourth motor fatality this year in Centre county.

### Blame Trucker In Fatal Crash

Coroner's Jury Puts Blame On Holman

After hearing testimony in the circumstances surrounding the truck crash on Route 18, four miles north of the city, last Thursday, which resulted in the death of Edison Cornea, Jr., of R. D. 1, New Wilmington, a coroner's jury last night placed blame for the crash on Gerald F. Holman, of 191 Fern street, Masury, O., driver of a steel hauling truck which collided with Cornea's truck.

The inquest was conducted by Coroner Charles E. Allen, in the office of Alderman James C. Brice.

Visibility Poor  
Robert L. McClay, of R. D. 3, who resides near the scene of the fatal crash, testified to coming onto the scene just after it had happened. He said it was very foggy, and visibility was only about 100 feet. He stated that he had seen two men at the scene of the crash, and that one of the men stated he had been following Holman's truck, and felt that Holman had fallen asleep. He placed the time of the collision at around 8:05 a. m.

R. L. Boyd, who took Cornea's body to his preparing rooms after it had been removed from the wreckage, stated that an examination of his injuries revealed he had suffered a broken neck, fractures of both legs above the knees, fractures of the jaws, and chest injuries, which would have been sufficient to have caused death almost instantly.

Virgil Irwin, Pennsylvania state policeman, told of being summoned to investigate the collision. He stated that he had found a truck

### Major Crisis In Berlin Feared Likely Sunday

Communist Youth Demonstration May Develop Trouble

By RICHARD S. WEIL  
(U. S. Staff Correspondent)

BERLIN, May 24.—(INS)—The western Allies and Russia braced themselves today for a possible major crisis in Berlin during the coming Whitsuntide weekend.

While both sides minimized the potentiality of the danger which might arise from the planned demonstration by Communist youth, each prepared for any eventuality.

500,000 To March  
The East German government insisted that some 500,000 "Democratic Youths" will march, but meanwhile Waldemar Schmidt, police chief of East Berlin, issued orders forbidding any to enter the western sector.

Initial propaganda had threatened that the youth would march into the west sector and take control of the entire city.

All troops of the western Allies were placed on the alert and the Russians reinforced their garrisons to bring them to full strength in the areas immediately outside Berlin.

The western powers are counting on West Berlin police to serve as the first line of defense to deal with any initial emergency.

The Allies and the Soviets are understood to be prepared to use their own forces only as a last resort to quell any serious disturbances.

Will Deter Aggression  
The American Commandant, Maj. Gen. Maxwell D. Taylor, confirming that United States troops are on "combat alert" effective today, said he is certain that the firm stand by the Allies and Western Berliners will deter the Communists from any aggression.

The general emphasized, however, that "American arms and men stand ready to back up our promise to safeguard the city."

Gen. Taylor explained that he actually does not expect any "serious trouble," and added:

"It would be surprising if with so many assembled for the rally there was absolutely no friction."

Amusement Park At Scranton Fire Swept

SCRANTON, Pa., May 24.—(INS)—A raging fire today swept through the Rocky Glen amusement park eight miles south of Scranton and caused damage estimated at more than \$200,000.

The flames leveled the high roller coaster, the fun house and the Tokyo canal in a section of the park owned by Joseph Jennings, of Scranton.

Fire and police authorities believe the fire originated in the penny arcade which was filled with valuable amusement equipment. The blaze destroyed the arcade and spread to adjoining buildings.

Protest Note Sent  
The fact that Russia has created such a group in the east zone was made official in a protest note sent to Moscow by the three western powers.

This communication complained that the force, including a well-trained officers' corps, was being equipped with traditional army weapons, including automatic rifles, machine guns and medium tanks.

The fact that a large German police force is extant in eastern Germany is well known.

It has long been feared that it might be used to invade western Germany and bring the entire country under communist domination. But it had not been established before that a special force

### May Create West German Military Force Is Report

By JOHN A. REICHMANN  
(U. S. Staff Correspondent)

WASHINGTON, May 24.—The United States, France and Britain are reported today to be planning creation of a west German military force to counter the threat of a 50,000-man army in Russian dominated eastern Germany.

This, it was said, will supplement the plans to bring Germany more and more into the economic and political pattern of the western powers.

It is not planned to create an outright army which might lead to a resurgence of militarism in the Reich. But a force may be equipped of democratically inclined contingents to counter the communist east zone force.

### Vets Ready For Memorial Day

Annual Observance To Occur Next Tuesday

It was announced today by Emmett Kurtz, past commander of Col. Daniel Leasure Camp, United Spanish War Veterans, who is general chairman for the annual Memorial Day observance here next Tuesday, that plans for the celebration are now complete.

The observance will follow the general pattern of former years. There will be a program at the county memorial at the Court House, followed by a parade to Greenwood cemetery, where the ritualistic service of the Spanish War Veterans will be followed.

Caldwell Speaker  
County Commissioner Harvey B. Bush will preside as master of ceremonies, and the principal address of the day will be given by Attorney William J. Caldwell, a veteran of World War One.

The invocation will be by Rev. Fr. F. M. McCarty, pastor of St. Mary's church, remarks will be made by Rev. A. C. Howe, pastor of Epworth Methodist church, and

### Philadelphia Man Held As Atomic Spy

Charged With Being Aide To Dr. Fuchs In His Spy Efforts

By TOM BRISLIN  
(U. S. Staff Correspondent)

PHILADELPHIA, May 24.—A stooped, retiring chemist was held in \$100,000 bail today on charges of transmitting to the Russians vital atomic secrets obtained in furtive meetings with convicted British spy Dr. Klaus Fuchs.

The 39-year-old Harry Gold was lodged in Philadelphia's Moyamensing prison pending a second hearing on June 12 or until he raises the bail set late last night in a hearing before Federal Judge James P. McGranery. He was closely guarded by six FBI agents at the secret hearing.

Judge McGranery told Gold, a bachelor, that he could obtain a lawyer but he asked merely for permission to telephone his brother Joseph, a naval civilian employe in Philadelphia. This was granted.

Arrest Announced  
FBI Chief J. Edgar Hoover announced late last night the arrest of the Swiss-born Gold and said he had turned over America's most zealously guarded military secrets to a "John Doe," described as "a representative, officer, agent and employee of a foreign government, to wit, the Union of Soviet Socialist Republics."

It was understood the FBI knew the identity of the "John Doe."

Hoover added that Gold has confessed his atomic spy activities in association with the German-born Fuchs. He will be turned over to the eastern district of New York, in Brooklyn, where the original charges were filed against him.

It was learned that Gold will be taken to Brooklyn before June 12 if he agrees to the transfer.

Similarity In Explanations  
There was a striking similarity in the backgrounds and explanations for spying given by the Swiss-born Gold and Dr. Fuchs.

The FBI quoted Gold as saying: "I thought that I would be helping a nation whose final aims I approved along the road to industrial strength."

"Particularly was I taken with the idea that whatever I did would go to help make living conditions far more advanced along the road as we know them here in the United States."

Gold also was quoted as saying that he believed "that as an ally I was only helping the Soviet Union obtain information that I thought it was entitled to."

J. Howard McGrath, U. S. attorney general, said information obtained from Fuchs, one of Britain's top theoretical physicists now serving a 14-year jail term, led to the arrest of Gold.

Expect More Arrests  
WASHINGTON, May 24.—(INS)—A congressional atomic committee member predicted today that the arrest of Harry Gold as a confessed confederate of Klaus Fuchs will be followed shortly by the seizure of "other spies."

Rep. Elston (R) Ohio, made the prediction as other committee members praised the FBI for its work on the atomic espionage case and called for continued intensive effort.

Will Crack Down On Violators Of Clean Streams Law

HARRISBURG, May 24.—(INS)—The Justice Department was asked today by the State Sanitary Water Board to crack down on 11 Western Pennsylvania mine operators accused of violating the clean streams law.

Seven others were warned by the board to end reported violations or have operating permits revoked. Referred to Attorney General T. McKen Chidsey for action were: Lawrence County—Colonial Gas Coal Co., of Zelienople, strip mine, Big Beaver township.

Butler County—Piatt & Craig Coal Co., of New Castle, strip mine, Muddy Creek township; Troy N. Beaver Coal Inc., of Punxsutawney, strip mine, Parker township.

Those smiles on the youngsters' faces, were puzzling for a spell, not one of the kids but all of them, so I said to one, will you tell, why it is you are smiling, you and the rest of the crowd, he looked at me in amazement and he chuckled a chuck out loud. Said he the time's nearly over when school bells will call us to class, we're right up against our vacation for every laddie and lass. No more of those tones in mathematics, the school year is slipping away, and the kids are rejoicing you see sir, and it's seventy-seven today.

## When Funeral Funds Are Limited . . .

We have said before in these messages—and we repeat—the cost of a funeral never should create hardship for the living. The needs of the living, and especially or dependent children, are more important

In these days, when living costs still are high, the need for funeral service may create a serious problem for some families. They will find understanding and sympathetic cooperation at the Boyd Home for Funerals. We have aided many to meet such problems at a price within their ability to pay.

The use of our Home for Funerals, the Hammond organ, all equipment and personal services are available to every family we serve—regardless of the amount they may decide to spend.

#### APRIL RELIEF DATA

HARRISBURG — Pennsylvania's total payments for public assistance grants decreased by \$1,625,000 in the month of April. The April outlay of \$12,144,000 was 12 per cent less than the March total of \$13,769,000.

## GENERAL MOTORS AND U.A.W. SIGN 5-YEAR CONTRACT

(Continued from Page One)

1955, thus setting an effective barrier against strikes.

General Motors president C. E. Wilson said the agreement is "unprecedented in labor-management relations and will have a stabilizing effect not only on our business but on the economy of the whole country."

UAW president Walter Reuther called the contract "the most significant development since the mass production industries were first organized by the CIO."

The settlement—which came with dramatic suddenness after a secret bargaining session at General Motors' Detroit headquarters—covers 112 GM plants in five states.

The pact is still to be ratified by the rank-and-file but this is considered only a formality. Ratification was unanimously recommended by the UAW international executive board.

**Union Shop Agreement**—The union shop agreement provides that all new employees must join the UAW for at least a year but present workers who do not belong to the union need not sign up.

The pension plan permits employees to retire at 65 after 25 years of service. Pension benefits may reach \$17.50 a month if Congress increases present social security payments.

The first four-cent hourly wage boost will be granted May 29, the day the new contract takes effect. Reuther said that by 1955 the benefits will add \$700 a year to the income of the average GM worker's family.

General Motors was the last of the "big three" to reach a pension agreement with the UAW. Ford Motor Co. Signed a \$100-a-month pact last fall and Chrysler workers won the same amount after a 100-day strike that ended May 4.

## Deaths Of The Day

#### A. Reid English

A. Reid English, aged 75 years, of 102 Pine street, died in the Jameson Memorial hospital, Tuesday at 3:40 p. m., following a long illness.

Mr. English was born in Scioto county, Ohio, August 16, 1874, son of Thomas and Rebecca Stewart English. Most of his life was spent in New Castle and formerly he was employed by the city as sealer of weights and measure.

For the past 11 years he had been in the insurance business, being associated with the Oliver Miller agency.

Mr. English was a member of the Second U.P. church; the Lodge of the Craft; Consistory, and was a director of the Western Pennsylvania Mutual Fire Insurance company.

Mr. English is survived by his wife, Mrs. Oliver Miller English, whom he married in 1939. In 1903 he married Bessie Mayne, who preceded him in death in 1934.

A daughter, Mrs. William (Kathryn) McCune of Kittanning, Pa., also survives; and two grandchildren.

Funeral services will be Thursday at 2 p. m., from the Joseph B. Leyde mortuary, Highland at Winchester, Rev. Calvin Rose to be in charge. Burial will be in Greenwood cemetery.

The family will receive friends at the mortuary this evening from 7 to 9 o'clock.

#### Henry R. Rutter

Henry R. Rutter, aged 72 years, of R. D. 1, Harmony, Perry Township, died suddenly in his home at 1:10 a. m., today, death resulting from a sudden heart attack.

He was born in Jefferson County, March 24, 1878, the son of Mr. and Mrs. Joseph Rutter.

He was a retired highway department laborer and was a member of the Free Methodist church of Camp Run.

Surviving are his wife, Twila Shannon Rutter, a son Monty, of New Castle, and three sisters, Mrs. Jane Rutter, of Shenango township, Mrs. Maggie Flickinger, and Emaline.

The body has been removed to the Contrucci McElwain Funeral Home, where friends will be received Thursday from 2 to 4 and 7 to 9 p. m. Arrangements for the funeral are incomplete.

#### Mrs. Concetta Biordi

Mrs. Concetta Biordi, aged 71 years, 506 Crescent avenue, Ellwood City, died suddenly in the New Castle hospital at 11:20 p. m., Tuesday, after an illness of four days.

Mrs. Biordi was born in Castel di Sangro, Italy, December 6, 1878, the daughter of Vito and Teresa Catullo D'Amico, but had been a resident of Ellwood City for the past 45 years.

She was a charter member of the Church of Purification of the Blessed Virgin Mary, and of the Confraternity of our Lady of Sorrows and Corona D'Italia.

Her husband, John Biordi preceded her in death. Surviving are two sons, H. E. and Andy Biordi, of Ellwood City, and two daughters, Mrs. Ida Colavincenzo and Mrs. Irma Biordi of Ellwood City. She also leaves 12 grandchildren and three great grandchildren.

The body was taken to the Contrucci-McElwain Funeral Home and will be removed to the residence at 6 o'clock this evening, where friends will be received after that hour.

Funeral services will take place from the Church of the Purification of the Blessed Virgin Mary at 9:30 a. m., Friday, with interment following in St. Agatha's cemetery.

#### Mrs. Smith Funeral

Funeral services for Mrs. Henry Smith, DuBois, were conducted Tuesday at 1:30 p. m., from the W. S. Caskey funeral home with Rev. W. E. Byers and Rev. Vernon Orner officiating.

Mrs. Clara Young sang two solos with Mrs. Vernon Orner as accompanist.

Samuel and Lawrence Hogue, Wayne Hutton, Raymond, Calvin and William White were pallbearers.

Burial took place in Mountville cemetery.

is receiving military training and communist indoctrination.

**Violation Of Agreements**—The western powers complain that this a complete violation of a series of wartime agreements that German militarism must be destroyed.

No definite plan for counter measures in western Germany will be released until the Kremlin responds to the allied demands that the military group be disbanded immediately.

But it was assured that some agreement was reached at the London meeting of Secretary of State Acheson, British Foreign Secretary Bevin and French Foreign Minister Schuman to deal with the situation.

Before going to London and Paris, Acheson had decided that west Germany must be brought into the democratic community. He was fully set, however, against any military participation with the Atlantic pact members.

## Men's Club Is Host At Event In First U.P.

Men of First U.P. church turned the tables on women of the congregation in appreciation for the many fine dinners the women have served throughout the year. The Men's club cooked and served a full course dinner for the women Tuesday evening at the church.

Cooks, who prepared the dinner, were introduced later in the evening complete with handle-bar mustaches, speckles and false noses. Donald McFall, chief chef, was assisted by Glen Carpenter, Dr. Burr Rogers, Dr. A. H. Borland, Elmer Nesbitt, Harvey Bush, Elmer Gerlach and A. C. Clever. Milligan Cromie headed the kitchen detail the evening before the dinner, while Edward McNamara and his committee were responsible for dishwashing after the dinner.

Fellowship singing and fine choral singing by the men's chorus of the church under the capable leadership of David W. Rees, choir director, were enjoyed. "Yosemite National Valley" and "Hawaii" two motion pictures, were shown through the cooperative courtesy of the United Air Lines and Clay Aulbel of the Pennsylvania Power Co.

The group voted to sponsor a cub pack for the church and another displaced family, for whom assurances have already been made.

Harvey Bush, program chairman, reported that plans for the summer months include the following activities: ball game trip to Pittsburgh, picnic, and an outing at the church scout camp at Clearhawk.

Rev. Robert H. Mayo, pastor, closed with the benediction.

#### NOT GUILTY VERDICT

PIKEVILLE, Ky., May 24.—(INS)—Lon Moles, 60-year-old school board member, was acquitted today of the slaying of a Kentucky high school girl. A jury of 10 men and two women returned the verdict in Pike circuit court.

## RUTH WHEALE BRIDE OF DONALD R. BEES

In an impressive bridal setting, Miss Ruth Arelene Wheale, daughter of Mr. and Mrs. Albert M. Wheale of Franklin avenue, was married to Donald R. Bees, son of Mr. and Mrs. Richard W. Bees of R. D. 1, Edenburg.

The double ring ceremony was solemnized on Saturday morning, May 20, at 10 o'clock in St. Mary's church with Rev. Fr. Francis King, assistant pastor, officiating.

The bride's becoming wedding attire consisted of a white shark-skin suit with all white accessories and a shoulder corsage of pink roses and white delphinium. She wore a pearl necklace, the groom's gift, and carried a White Bible. Her brother, Albert C. Wheale, gave her in marriage.

Miss Mary Doran was maid of honor, wearing a light blue summer suit with white accessories and a shoulder corsage of pink roses. William Bees, brother of the groom, served as best man.

A wedding breakfast was held at the Castleton following the ceremony. Later, dinner was served at the home of the bride's parents for the bridal party and immediate families.

Mr. and Mrs. Bees are spending their honeymoon in Niagara Falls and Canada.

Mrs. Bees is a graduate of New Castle high school and is employed as a cashier at the Shenango Hotel. Mr. Bees is a graduate of Union high school and is with the B. & O. Railroad company.

## DINNER CLUB HAS EVENING PARTY

Members of the Six O'Clock Dinner club met at the home of Mr. and Mrs. Clifford Sipe, New Wilmington road, on Tuesday evening. The delicious dinner was served by the hostess, aided by Mrs. James Elder. Lovely tulips centered the attractively arranged table.

Contract bridge was a later diversion of the evening, with prizes captured by Mr. and Mrs. Robert Sherman and Mrs. Paul Bratschie.

The club will be received in the home of Mr. and Mrs. John Morgan, 1023 East Washington street, on June 6.

## '49ers Club Dines

Members of the '49ers club enjoyed a theater party on a recent evening. A delicious chicken dinner was then served to the group at a local dining room.

## E. W. SNAIRS HAVE 50th ANNIVERSARY

Mr. and Mrs. E. W. Snair observed their golden wedding anniversary on Sunday, May 21, and were pleasantly surprised by many enjoyable activities planned for them throughout the day.

The initial event was a surprise party, planned by their two daughters, Mrs. Wayne Walker of Wampum and Mrs. P. I. Anderson of Wampum. The 52 guests who attended were the members of Mrs. Snair's class of the Methodist Sunday school and their husbands and the members of Mr. Snair's class and their wives.

Group singing and social chat were the diverting features and at a late hour lunch was served buffet style by the hostesses. A large tiered wedding cake and gold and white colored candles formed the centerpiece for the attractively decorated table. The favors were small gold and white colored baskets. The honored guests were presented with two beautiful gifts, one from each of the church groups. Out of town guests present were F. M. Davis and daughter, Miss Olive Davis, of St. Petersburg, Fla., each a former member of one of the classes; Mr. and Mrs. J. H. Anderson, Mr. and Mrs. John Emerick and James Hazen of Ellwood City and Mr. and Mrs. Wendell Walker of New Galilee.

On Sunday morning the couple was honored at the Sunday school period in the Methodist church with a special program and was presented with some lovely gifts from the Women's Society of Christian Service.

At noon the honored guests were entertained at dinner by the members of the immediate family in a tea room near New Castle. Much to the surprise of the couple, the favors were miniature folders which contained pictures taken at

the original wedding of the Snairs on May 21, 1900, in New Castle. Enjoying this fete were Mr. and Mrs. P. I. Anderson and daughters Dorothy Jean and Linnea of Wampum and Mr. and Mrs. Wayne Walker and children Gerald, Karen, Rebecca and Linda of New Galilee.

Included among the friends who called Sunday evening at the home of the couple were Henry Bazzich, L. H. Rabberman and Carl Shirley, representatives of the Ellwood City Odd Fellows of which Mr. Snair is a member. After offering congratulations, they presented the couple with a lovely gift of gold in behalf of their organization. Mr. and Mrs. Homer Campbell of New Castle also called on the couple to pay tribute to the occasion.

## Summer Theatre Is Being Planned At Westminster

A summer theater will be established at Westminster college this year for the first time in the history of the school.

Under the direction of Donald L. Barbe, acting chairman of the college speech and dramatic art department, the theater group will produce three plays. The first production, "Light up the Sky," by Moss Hart, already is under rehearsal and scheduled for a six-day run beginning June 5.

The Westminster theater will be the only summer playmakers active in this area this summer. Other productions to be offered are "All My Sons" by Arthur Miller from June 26 to July 1, and Noel Coward's "Blithe Spirit," July 10-15.

## Contempt Of Court Sentence Is Upheld Against Attorney

SAN FRANCISCO, May 24.—(INS)—The U. S. court of appeals on Tuesday upheld a six-month contempt of court sentence leveled against defense attorney Vincent Hallinan during the celebrated Harry Bridges perjury trial in San Francisco.

The court's lengthy opinion, written by Circuit Judge William Orr, denounced Hallinan's "inflammatory" statements in the opening stages of the turbulent trial declared:

"Complaint is made of the severity of the sentence. It is severe. We are unable to say that the court

abused its discretion in imposing it. Gross misconduct merits commensurate punishment."

## Class Night At Union Township

Annual Program Presented Tuesday

Hilarity and mirth put any thoughts of seriousness entertained by members of the 1950 graduating class of Union High school in mothballs Tuesday evening as the senior class conducted its annual class night program.

Following sincere words of welcome given by class president, Anthony Phillips, the capers began. The class enacted "The Senior Scoop," which revolved around a typical newspaper office and the many problems connected with such work of course complicated by hilarious cast of the senior class.

Lynn Fowler assumed the role of owner of the thriving paper and under him was student editor Jim Ahrens. Patsy Minetti served as office boy with Esther May Cox serving as secretary to the editor. Substitute editor was John Rude-sill, while reporters were: Florence French, Kay Anderson and Josephine Proudfoot.

Student reporters served as class knockers, these being: Ed. Clark, Bob McConahy, Dale Eppinger, Pat Brown, Bob Martin and Don Jones. The second act got under way with the class prophecy with Charles Robinson as announcer. The scene was again in the newspaper office 20 years later. Depicting the newspaper staff were: Dolores Cox, Maxine Mateja, Jim Ahrens and Bob McConahy.

The class will be cleverly enacted by Nellie Vannatten, Gene List, Josephine Proudfoot and Bob Torchio. History of the class was presented by: Florence French, Dorothy Brincko, Janice Bartley and Alice Hoover. Supervising Principal J. Arthur Turek, interspersed the program with appropriate remarks. The skating waltz was participated in by Sylvia Boston and Frank Gonor.

Members of the swing band were: Joe Sniezek, Lynn Fowler, Bob Szweczyk, Edward Clark, Bob McConahy, Betty Walsh. The class poem was ably recited by: Kay Anderson, followed by a ballet dance by Nellie Vannatten. Class donors were Josephine Lenovich and Robert Kienovic with Jean Morgan singing the class song. The class key was presented by Anthony Phillips, senior president to Ronnie May, junior president.

## Refuse To Accept New Fire Truck

Richard I. Davis, safety director today said he had refused to officially accept on behalf of the city, the new fire truck, recently bought from the American LaFrance company, and now at Central fire-house. He said specifications call for the hose reel to be on top of the truck, and it is on the rear end. No doubt engineers will make the change and if so, it will be accepted, Mr. Davis stated. It will be assigned to Number 6, and the truck at No. 6, will be sent to Number 3 fire-house, Mr. Davis explained.

## New Whistle Sound For B. & O. Deisels

PITTSBURGH, May 24. — You wouldn't think people would give a hoot about a railroad engine's toot—but you're wrong.

The Baltimore & Ohio has found that the melancholy wail of a Diesel horn displeases lots of people who yearn for the friendly toot of the old steam engine. So Diesel 64, one of the behemoths that hauls the "New Columbian" through Pittsburgh about midnight, has been equipped with an "airchime" whistle. So have eight yard and switch Diesels on the B. & O.

"The 'airchime' produces a musical chord," said a spokesman. "Number 64 has a five-chime whistle and the others have single chimes. They all sound just like steam engines instead of ocean tugs." He sighed. "They're real nice."

## C. D. Of A. Members Attend Convention

Local Catholic Daughters of America members, numbering 32 of the Court Teresa Irene No. 231, attended the Tuesday evening session of the C. D. of A. state convention held in Pittsburgh.

The convention was held in the William Penn hotel, with quite a representation present to witness the election of officers, ritual work and entertainment.

Grand regent Mrs. Marie Jones participated in the program for the past several days and on Tuesday evening was a member of the

## World Federalists Will Hear Speakers

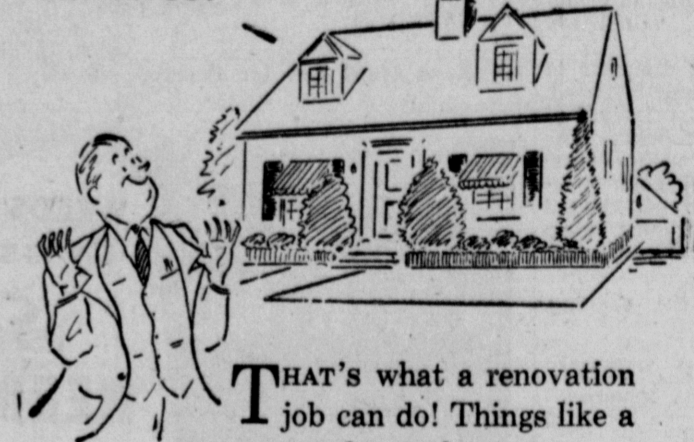

United World Federalists will meet in the YWCA Thursday evening at 8 o'clock and Robert B. Brown, philatelist, will speak about his famous stamp collection. He will also speak of his autographs which include signatures from rulers of Europe, and also the difficult Tito. Just recently

he added the autograph of Robert Frost to his collection. He has managed to get the autograph of the composer Sibellius—a difficult signature to obtain.

Mr. Brown, a senior at the New Castle senior high school, has written articles for philatelist's magazines. The vice president of the Ohio OWF, Bruce Weinhold of Youngstown, O., is slated as an additional speaker Thursday evening.

## Blame Trucker For Fatal Crash

(Continued from Page One)

belonging to the Ed. Chadderton Trucking Co., of Sharon, in the field at the side of the road, with a small Ford pickup truck, demolished and under the front end of the big truck. He stated that the driver was not at the scene, but was taken into custody by a fellow officer at Bishop's service station about four miles north of the scene. Mr. Irwin showed scenes of the wreckage, which had been taken by James E. Leasure, News photographer. Mr. Leasure identified the pictures as those having been taken by him at the scene that morning.

**Arrested Driver**

Irwin stated that Holman was placed under arrest and taken before Justice of the Peace Everett C. Anderson, of Neshannock township, where he entered a plea of guilty to failing to remain at the scene of an accident and render assistance, and to overloading, his load having been found to be 8,110 pounds overweight.

Holman stated that he had started out on May 17, the preceding day, by hauling a load to Ellwood City, having arisen about 10 a. m., on the 17th. He had then gone to Aliquippa and returned with a load, arriving back in Sharon about 9:30 o'clock, after which he

had gone to his home in Masury, O., and had a couple of hours sleep, after which he started to Aliquippa again, and secured another load. He left Aliquippa about 6:10 a. m., he stated, and was on his way to the Wheatland Tube Co. plant with a load of steel, when the collision occurred.

He stated that he was travelling between 30 and 35 miles per hour when he came upon the truck driven by Corryea, and that the latter was bearing towards his side of the road, so he swung to the left. As he did so, he claimed, the driver of the other truck swung back towards the right side of the road, and that he, Holman, had swung his truck sharply to the right again to avoid a collision and hit the smaller truck and carried it off the road ahead of him. He said no one would help him at the scene, and he became excited and left, wanting to call Mr. Chadderton, his employer.

He was unable to account for the reason he swung his truck to the right after he had been over at the other side of the road, in the left lane of a three-lane highway, and also that he had struck the smaller truck after coming two-thirds of the way across the road.

**Jury Verdict**

The complete text of the coroner's verdict was:

"That Mr. Corryea came to his death on May 18, 1950 at or about 8 a. m., Daylight Saving Time, on Route 18, at a point approximately 600 feet north of Mitchell Road in Neshannock township, Lawrence county. Death was caused by injuries sustained when Mr. Corryea's truck collided with a steel hauler truck driven by Gerald F. Holman, of Masury, O. The steel hauler pushed the Corryea truck into a ditch and then toppled over onto it, pinning Mr. Corryea underneath."

"From the testimony and pictures produced, we are of the opinion that Mr. Holman was guilty of reckless driving and excessive speed."

The jury was composed of D. E. Smith, Chester P. Reynolds, A. J. Rees, Ira R. Snider, E. M. Fisher, and Bart Richards.

## Outdoor Physical Education Program Planned At Croton

Croton school's annual physical education demonstration and benefit for the Croton Honor Roll will take place Thursday evening at 7:30 o'clock on the school playgrounds.

The event, which attracts hundreds of Croton residents and others from all over the city has been well arranged by Arthur H. Walker, principal of the school and assisting teachers of the building.

The health education demonstration will be directed by Miss Mildred Sargeant while the band concert will be in charge of Miss Temoy McFate, music teacher, who will direct the Croton band

and the baton twirlers. Seats have been provided for all who will be in attendance.

Following the program, the ice cream social will take place for the benefit of the Croton Honor Roll. A committee of parents will supervise this event.

The program will include the opening number sung by Peggy Ezzo, "God Bless America". The varied program will follow with music by the band, polka dancing, majorette demonstration, dumb bell drill, tap dancing, flag drill, Indian dance, club demonstration, Dutch dance and square dance demonstrations.

John Vincent and Barbara Sizor, accompanied on the accordion by Karen Emmett, along with vocal music by Peggy Ezzo, will be featured in the novelty tap "Strolling Thru the Park".

## Truman Orders Reorganization Shake-Up Moves

WASHINGTON, May 24.—(INS) President Truman ordered sweeping shakeups in the Commerce department and the Federal Power commission today in his first action under government reorganization bills.

The President abolished the Maritime commission and named its chairman, Maj. Gen. Philip B. Fleming, to be a new undersecretary of commerce in charge of transportation.

Mon C. Wallgren, a close friend of the President, was elevated to the chairmanship of the Federal Power commission. Wallgren, who has been a member of the FPC, succeeds Nelson Lee Smith as chairman.

Sixteen of the president's government reorganization plans went into effect last night after Congress failed to disapprove them.

Five other plans submitted by Mr. Truman were killed by Congress. In wiping out the former Maritime Commission, the president named a new three-man Federal Maritime Board under the Commerce Department.

Mr. Truman designated Assistant Secretary of Navy John T. Koehler to be acting chairman of the new board.

Other members of the board are South Trimble Jr., chairman of the Advisory Board of the Inland Waterways Corporation, and Rear Adm. Paul L. Mathers, who has been liquidator of war assets.

## Nominations Held By Legion

### Perry S. Gaston Post Nominates Last Night

Nomination of officers for the coming year were conducted by Perry S. Gaston Post, American Legion, at their meeting in the Legion Home, Tuesday evening. Plans were also made for the observance of Memorial Day.

Included among the plans by the post is the conducting of a Memorial Service in memory of all members who have passed on during the year. This will be held in the First Methodist church, Sunday morning at 11 o'clock, with the pastor, Rev. James A. Gaiser delivering the sermon. Members will assemble at the Legion Home at 10:30 o'clock, from whence they will proceed to the church in a body. Plans are in charge of Junior Vice Commander Al Walker.

Nominations resulted in the following being named: Commander, Manning Weller; senior vice commander, Al Walker; junior vice commander, William Glitch; Lt. Col. George F. Mitchell, Blair D. Alverson; finance officer, Patric Cosgrove, Ralph R. Carlson, Stewart A. Jones; historian, Rita Metz; Chaplain, Joseph Wallace, Dee Doherty; trustee, Earl C. Moffatt; sergeant at arms, William Alexander, Leroy Slater; house commit-

tee, Ned C. Anderson, Don H. Crowl, J. Nick Speed, Charles A. Shepp, and Evan Evans.

### AUTO FIRE

City firemen were called to the Lawrence Motors, 1509 Moravia street, at 9:40 o'clock this morning by an alarm from Box 57. On arrival they found a short in the wiring of an auto owned by David Guy, of West Pittsburg. No material damage resulted. Fire Chief H. F. Steinbrink stated.

JACKSON, Miss.—When Confederate Memorial Day was observed this year, the ranks of the boys in gray had thinned to two in Mississippi. Still living were T. W. Guinn of New Augusta and James A. Thrasher of Route 2 Forest. Thrasher said he was 98 years old and the age of Guinn wasn't known.

Return Board  
Finishes CityFew Errors Shown  
In Precinct Returns

Returns from the city of New Castle in the primary election May 16, have been checked by the official return board. Totals will not be drawn off until the entire county has been covered.

This year the election boards were more efficient than usual. Only one ballot box had to be opened, this the one in the second precinct of the eighth ward. The difficulty was a minor error, of no consequence, and the return board opened the ballot box merely to get the proper number of ballots cast.

## Historical Medical Highlights No. 18

## LAENNEC, A Victim and A Victor

LAENNEC, a consumptive himself, was greatly interested in the study of Tuberculosis. He examined some four hundred cases, keeping detailed records. These studies led to his invention in 1819 of the Stethoscope, which was at first just a cylinder of paper held in his hands and later made of hollow wooden tubes. The Stethoscope permitted development of physical diagnosis far beyond anything previously attempted and our modern knowledge of chest diseases is mainly derived from Laennec's writings on the subject.

## Take it out Beyond the BOULEVARDS

SPRING FEVER? Here's the never-fading cure—a Buick SUPER Convertible with that brilliant new power plant, the Fireballing F-263.

That's where the real fun is.

Where the land stretches free to the beckoning horizon, where the air is clear of city smoke and the highway's fumes, where a man and his family can really enjoy the pleasure a car can give.

"But the roads," you say, "—aren't they pretty rough?"

They don't have to be paved to be pleasant. Not to a Buick owner.

For here you've a car gifted with the special gentleness of soft coil springing all around. A car steady-keeled with a massive frame and rigid torque-tube.

A car that quicksteps silkily over washboards and rutty gravel, gives wavy

black-top a fluent buoyancy that dresses each mile in rest and relaxation.

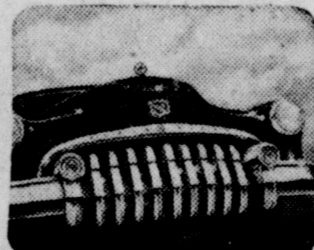

Even your mighty power plant—cradled against vibration and filtering its surge through Dynaflo Drive's liquid cushioning if you like—even this is part of the picture.

A part of the special feel of riding in a Buick—a feel we do not think is

Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

## FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

equaled anywhere else on the highway.

But why just go by that? As close as your Buick dealer there's a SPECIAL, a SUPER or a ROADMASTER that's itching to tell its own story—without any obligation on your part.

Go try it—over the boulevards and out beyond them. Then price it. We're sure where you'll spend the summer—having the time of your life in a Buick!

Only Buick has  
Dynaflo

and with it goes HIGHER COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN styling, with MULTI-GUARD forehead, taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging • SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with body by Fisher.

## J. Birney Crum Quits As Coach At Allentown Hi

ALLENTOWN, Pa., May 24.—(INS)—J. Birney Crum, one of the most successful coaches in Pennsylvania's high school history, is deserting athletics for a swivel chair and a desk.

Crum, head football coach at Allentown high school for 25 years, has quit the coaching field to enter his father-in-law's prospering shoe business.

### Successful Career

The father-in-law, Owen W. Metzger, runs two flourishing shoe stores in Allentown and another in Reading.

A Muhlenberg college product, Crum mentored high school teams at Somerville, N. J., and Carnegie, Pa., before taking over at Allentown high.

Crum's enviable coaching record at Allentown included: Football—186 victories, 48 defeats, 16 ties; one undefeated season.

Basketball—Four state championships; 490 victories, 106 defeats; one streak of 60 straight triumphs; unbeaten seasons in 1945-46, when his team copped 28 in a row.

Snowshoe production for commercial purposes was begun in Norway, Me., in 1862.

## Rose Avenue P.T.A. Installs New Officers

An installation of new unit officers and an old-fashioned square dance highlighted the meeting of the Rose Avenue Parent-Teachers' Association on Tuesday evening at the school.

Mrs. Samuel Rashid, retiring president, led the new officers in repeating the objectives set up by the National Congress of Parent and Teachers. Those installed in office were: Mrs. Thomas Booher, president; Mrs. Albert Jones, first vice president; Miss Laura Blucher, second vice president; Mrs. William McKee, secretary; and Mrs. Richard Clark, treasurer.

The president opened the meeting with group singing, with Mrs. Grace White reading the P.T.A. prayer. The secretary's report was presented by Mrs. William McKee and Mrs. Chester Rowe gave the treasurer's report.

Mrs. Findley Boyd, chairman of the auditing committee, approved the treasurer's report.

**Awards Given**

Roll call was then taken, with Miss Smith's primary class winning the attendance award for the month and the year. For the intermediate grades, Miss G. Schugars' class won the award for the month and year. These classes have had the best representation of parents present at the meeting.

Mrs. Rashid called upon various chairmen to give their annual reports. Program chairman, Mrs. Wesley Mann, Jr., gave the review of the year's work. Other reports were by Mrs. Horace T. Tressler, membership and publicity; Mrs. Thomas Booher, social committee; and Mrs. William McKee, publications. Each head thanked the entire P.T.A. unit for their cooperation during the year in helping to build up the membership and work in the school.

The new president, program chairman and a teacher will represent the unit at the leadership school held July 10 to 14 at the Mansfield State Teachers' college.

Mrs. Rashid then thanked the officers; chairmen, standing committee; John Cornelius, principal; teachers; Mrs. Clarence McHattie for her procedure book work, and Homer Roland, custodian, for their work during the year. "We have made definite progress," stated Mrs. Rashid, "in educating the public in P.T.A. work. We must continue to work for better schools, for better schools mean better teachers and better teachers mean a better educational system."

The door prize was awarded to Mrs. Kenneth McDonald, Mrs. William McKee and Mrs. Richard Clark were appointed as delegates to the City Council meeting of May 31. Special guests of the evening were Mrs. John Cornelius and Miss Jessica Jenkins.

**Dancing Enjoyed**

An entertaining square dance was featured on the program for the remainder of the evening, with Sylvester Badger calling the numbers. People forgot their cares and worries as they swung about to the gay tunes of the fiddle and guitar. Even the children had a

chance to imitate the grown-ups in the intricate patterns of the dance. Samuel Rashid, in the guise of a cowboy, distributed his wares at the pop stand, capably assisted by Horace Tressler.

Delicious pie was served buffet style from a table centered with fragrant lilacs. Mrs. Booher, social chairman, was in charge, with the hostesses being the Mesdames Joseph Snyder, Harold Bank, Anthony Ambrose, Findley Boyd, Charles Caven, Frank Davis, Jesse Zannoni, Felix Zuchowski, David May, Arthur Lundy, Joseph Malandro, Frank Reed, Patrick McCart, Nick Georgeadis, Joseph Teel, Phyllis Simone, Miles Bishop, Charles Williams, Mary Sarbo, Samuel Rashid, John Platt, George Schumberger, William McMillen, Ray Good and Miss Marie McElroy.

## Ellwood Class Gets Diplomas

### Class Of 295 Given Diplomas On Tuesday

At an impressive commencement program conducted Tuesday evening in Lincoln high school auditorium, Ellwood City, 295 seniors were presented graduating diplomas by Paul F. Luther, president of the Ellwood City Board of Education.

The capacity crowd on hand to witness the event listened to the school instrumental ensemble and remarks by Supt. J. Ellis Bell. The class was presented by principal Gerald Newton.

three of their own class members give scholarly addresses as they represented the honor students of the class. Speaking were: Joseph Angelo, who spoke on "The Drama of Chemistry"; David Jones, speaking on "Music's Most Glorious Voice"; and Richard Durstine, speaking on the "Handmaiden of the Sciences".

## Ward Civic Club Meets Tuesday

Industrial Street  
Extension Discussed

Members of the Seventh Ward Civic club gathered for their regular meeting on Tuesday afternoon, with Alfred Hyde presiding.

At the opening of the meeting there was a review of what had already been done regarding industrial street.

Roy Kennedy of the Refractories company, Fred Platt, Flexolators Co., R. L. James and Elmer Tinsman of Penna Power Co., Ralph Higgins of P. & L. E. railroad and Thomas Cole of Universal-Rundle company were present to represent their companies in the interests of improvement and continuation of industrial street to East Cherry street.

Councilman E. Gene Schweinsberg appeared for council. There was informal discussion as to what could be accomplished for improving and continuing industrial street.

A motion was passed to have Bolt street, Power street, East Madison avenue and East Clayton street ordained and name of Bolt street changed to industrial street. Councilman Schweinsberg will prepare petitions for signatures of residents on these streets. Mr. Schweinsberg reported that the traffic light at intersection of Liberty and Cherry streets had been approved by council and sent for final approval by the state.

On account of Memorial Day falling on next Tuesday, the Civic club meeting day has been changed to Wednesday afternoon, May 31.

## Auxiliary Mothers, Daughters Banquet

In Christopher Columbus hall a mothers and daughters banquet was given on Sunday evening, sponsored by the Columbus society auxiliary. Rev. Fr. Sebastian Ippolito gave the opening prayer.

Mother of the year, Mrs. Antonette Domenick, was crowned by mother of 1949, Mrs. Alice Conit. Mother of 1950 was presented with a lovely bouquet of flowers from the auxiliary by Mrs. Margaret Sinibaldi, chairlady of arrangements.

A splendid chicken dinner and all the trimmings was served by the committee, which was followed by a program. A play entitled "A Mother Without Love" was given by Mrs. Florence Domenick, Mrs. Artimetia Canale, Mrs. Victoria Shifflet, Carmen Fusco and Fausto Lepri. Tap dancing by Wanda Lee Domenick; singing by Sonny Zumpella, Lucille Copple and Albert Frank; duets, Mrs. Florence Domenick and Fausto Lepri, Carmen Fusco and Mrs. Victoria Shifflet.

Youngest mother present was Mrs. Jean Rainey; oldest mother, Mrs. Agnes Rainey; both received nice gifts and corsages. Corsages were also presented to Mrs. Mary Iovannella, auxiliary president, and vice-president Mrs. Rose Leone.

Short addresses were made by Rev. Fr. Ippolito, 1950 mother Mrs. Domenick, mother of 1949, and 1947 Mrs. Alex DeAngelis; Mrs. Mary Zumpella, president of Parent-Teachers Association; Emelia Gennock, vice-president of Columbus society; Mrs. Mary Mason;

Mrs. Mary Iovannella, Joseph Zumpella of the Seventh Ward Civic club and Ben Domenick.

Kitchen committee, Mrs. Margaret Sinibaldi, chairlady; Mrs. Clara Frank, co-chairlady; Mrs. Alice Conit, Mrs. Angeline Mangione, Mrs. Bambino Lalama, Mrs. Amelia Varsylick, Mrs. Rose Rainey, Mrs. Louise Domenick, Mrs. Elviro Rouzo and Miss Martha Iovannella.

There were two door prizes, won by Mrs. Mary Lambiasi and Frank Barrattieri.

Each member was presented with a rose from the auxiliary by president Mrs. Iovannella, and she in turn presented the chairlady, Mrs. Sinibaldi, with a lovely corsage.

## Mabel Wilson Lodge Has Chicken Dinner

In a local tea room, members of Mabel Wilson lodge No. 567 gathered Tuesday evening at 6 o'clock and partook of a full course chicken dinner and all the trimmings, with places laid for 32. The tables were nicely decorated with spring flowers, with a favor for each person's place.

Three prizes were given at the dinner, awarded to Mrs. Philip Ho-

gan, Mrs. George Fisher and Mrs. K. S. Davenport.

Guests at dinner were Mrs. Margaret Allen, Mrs. Margaret Partch, Mrs. Alice Freeborn of Sharon and Mrs. Oneida Collingwood of Sacramento, Calif.

After dinner the group adjourned to their lodge room on South Liberty street, with Mrs. T. J. LaRock in charge.

A letter was read from William Ellgass of Richmond, Calif., stating that Mrs. Ellgass, a member, was very ill. Two birthday anniversaries were celebrated, Mrs. John Farris and Mrs. T. J. LaRock, each receiving a lovely gift on behalf of the members. The door prize was captured by Mrs. Collingwood.

Next meeting of the group Tuesday evening, June 13, in the lodge room.

## K.J.U. Class Plans Colonial Tea Party

At the home of Mrs. Arthur Walker, Mt. Jackson road, the K. J. U. Bible classes of Mahoningtown Presbyterian church was entertained on Tuesday evening. Mrs. Robert McClurg was associate hostess. Devotions were conducted by Mrs. Bert Galbraith.

The business session was in

charge of Mrs. Paul Bender. Further plans were made for the colonial tea party on Friday evening, June 9.

Various games were the pastime of the evening, in charge of Mrs. Ronald Gilkey.

A tasty lunch was served by the hostess and co-hostess.

Next meeting of the class is scheduled for Tuesday evening, June 27, with Mrs. James Miller of North Cedar street as hostess.

# Perrow Speaks At Cathedral

Delivers Christian Science Lecture

Freedom from human discords—whether in matters of international relations, business, health, or other types of problems—lies in a correct understanding of God and man's relations to Him, Arthur Perrow, C. S. of Chicago, declared last night before a capacity audience in the East Dining Room of the Cathedral, Mr. Perrow's subject was "Christian Science: The Way of Freedom."

The speaker, who is a member of The Christian Science Board of Lectureship in Boston, was introduced by W. Lowrie Kay, first Reader of First Church of Christ, Scientist, under whose auspices the lecture was held. Mr. Kay pointed out that freedom is a vital subject at this hour in world affairs, and at any hour in man's struggle against the bondage of sin, sickness and death.

Mr. Perrow spoke in part as follows: The subject of this lecture is based on many Scriptural passages such as, "Acquaint now thyself with God (God), and be at peace; thereby good shall come unto thee" (Job 22:21). In the consciousness of the nature and presence of God, who is closer to each one of us than all else in the world, is our freedom as sons and daughters of God.

If men really understood God instead of having mere belief in a vague far-off being—that is, if they knew that God is the only power and the only intelligence, which the real man reflects, this consciousness would dispel the human and mesmeric tendencies toward strife, hatred, wars, fear, and other discords.

Man, made in the image and likeness of God, is forever spiritual, ageless, deathless, sinless. It is this recognition of man which enabled John to say, "Whosoever is born of God doth not commit sin; for his seed remaineth in him; and he cannot sin, because he is born of God" (1 John 3:9).

Healing the sick through Christian Science is the application of the law of God which adjusts human conditions according to the divine Principle of true, harmonious, and everlasting being. Man's true and only being is everlastingly harmonious. God made

it so! The human mind questions healing through spiritual means, but in regard to this as well as other manifestations of God's ever-operative law of harmony and perfection, it may be stated in Biblical language, "The natural man receiveth not the things of the Spirit of God; for they are foolishness unto him; neither can he know them, because they are spiritually discerned" (1 Cor. 2:14). Knowing God and man is the way of freedom—freedom from fear, from sin and sickness; freedom from lack and limitation. In the loving words of Mary Baker Eddy, Discoverer and Founder of Christian Science, (Science and Health, p. 227), "Citizens of the world, accept the glorious liberty of the children of God, and be free!"

The Tournament of Roses was established in Pasadena, Cal., in 1889.

The New Testament was originally written in Greek.

## Attempt Given Up To Ban Tipping

NEW YORK, May 24.—(INS)—The Chesapeake & Ohio R. R., which banned tipping on its dining cars three years ago, has given up the attempt to reform the public and its employees.

Thomas J. Deegan, Jr., vice president in charge of passenger traffic, said today that the ban has been lifted. He explained:

"Although the public complains about tipping, too many persons lack the courage to participate in an experiment that breaks with custom."

Also, he added, the waiters couldn't seem to break the habit of cadging tips.

## Cleveland School Board Is Riled Over Television

CLEVELAND, May 24.—(INS)—Looks as if Hopalong Cassidy has his hands full this time.

The cowboy hero of the youngsters may take care of any desperados roaming the television plains, but he has the Cleveland board of education gunning for him now.

The school board is riled over the time school children spend watching television programs instead of doing homework.

"We might try to lengthen class periods in one of the high schools just to see what will happen," suggests Supt. Mark C. Schinnerer.

"Parents ought to regulate the time of their children so they can get their homework done," said Mrs. Norma F. Wulff, board president.

It's up to the superintendent's offices now to find a way to rescue the kids from Hopalong and his boys.

## HUDSON

Most Room! Best Ride! Safest!

Through the development of the RECESSED FLOOR, Hudson engineers have brought to you the priceless advantages of lowness which the industry has been striving for since the beginning of the automobile!

ROAD CLEARANCE

IN HUDSON, the recessed floor ("step-down" design) brings space between frame members, which is wasted in other cars, into the passenger compartment. This results in America's LOWEST center of gravity (and full road clearance), while providing more head room and seating room than any other car.

ROAD CLEARANCE

IN OTHER CARS, the floor is on top of the frame, so the vital space between frame members is not available for passenger use. The result is a HIGHER center of gravity and either a high roof line or insufficient head room. Seats are narrower; passenger space is reduced.

HUDSON's new way to build automobiles results in America's lowest-built car.

It means new beauty and true streamlining. It provides full road clearance and more room than in any other car at any price. It creates the lowest center of gravity in any American automobile and, therefore, the only real hug-the-road ride—safer, smoother than ever before!

Before choosing your next automobile, we cordially invite you to take "The New Step-Down Ride," and see for yourself how much you gain from Hudson's exclusive "step-down" design with its recessed floor.

## Charge Surplus Food Gifts, In Political Frying Pan

WASHINGTON, May 24.—(INS)—The surplus food the government is giving away to needy people through state and county welfare agencies has been tossed into the political frying pan.

Sen. Williams (R) Del., charges that the agriculture department is sending more food into the state of Illinois than into any other state in the food give-away program.

**Democratic Stakes High**  
He points out angrily that that is the state where Democratic stakes are high in the fall elections. Senate majority leader Scott Lucas comes up for re-election then.

Agriculture department officials are quick to retort that there's nothing political in the surplus food distribution program.

One department spokesman says, on the contrary, greatest shipment of food have been requested by welfare or other similar agencies in the state of Pennsylvania.

And besides, this official says, the department cannot send food into any state unless it is requested by welfare or other similar agencies within that state.

**Follow Other Charges**  
Williams' charges follow by seven days similar charges made by Rep. Heselton (R) Mass., on the floor of the senate.

Both charges were based on information the legislators obtained from the Production and Marketing Administration.

One observer pointed out that "the Republicans might have something there" because Democrats have a big fight on their hands in Pennsylvania too this fall.

Sen. Myers, majority whip, faces the challenge of Gov. James H. Duff for his seat. Duff is representing an exceptionally popular trend in traditionally Republican Pennsylvania.

There are some 40 million telephones in the United States.

## W.S.C.S. Officers Installation Held

## Says Tooth Decay Can Be Reduced By Communities

PHILADELPHIA, May 24.—(INS)—A community can reduce tooth decay among school children as much as 40 per cent at a yearly cost of no more than 20 cents a person.

Leon A. Smith, of Madison, Wis., said these results could be obtained by adding fluorine to the community's water purification system.

Smith, a water and sewage expert, addressed the 70th annual conference of the American Water Works Association in Philadelphia.

The paper collar was invented by Walter Hunt in 1854.

## State Authority To Ask For Bids On \$65,000,000 Bonds

HARRISBURG, May 24.—(INS)—The General State Authority will ask for bids June 21 on 65 million dollars worth of serial bonds to provide more revenue for its huge construction program.

The new issue will augment the \$30,000,000 first series bonds sold last July to launch a \$175,000,000 building program authorized by the last general assembly.

The authority announced that following the coming sale it does not expect to enter the bond market again until mid-1951.

As of April 30, the authority allocated \$142,120,000 for 264 projects. Most of the money has been channeled for improvements at mental hospitals and educational institutions.

The authority estimates it will need about \$80,000,000 in actual cash until June, 1951, when many of the projects will be under construction or completed.

The second series serial bonds

will be dated July 15, 1950 and settlement will be made with the successful bidder July 24. The first maturity date will be July 15, 1953 and the final maturity date, July 15, 1977, providing for the amortization of the entire issue in 27 years.

## All-Time Production For Steel Is Forecast

NEW YORK, May 24.—(INS)—The American Iron and Steel In-

stitute reports that the nation's steel industry will set an all-time production record this week for the second time in a row.

The institute placed operations in the week beginning yesterday at 101 and 8-10ths tons of ingots and castings.

This eclipses by 9,600 tons the

record 1,931,000 tons produced last week when operations were fixed at 101 and 3-10ths of capacity, or half a point lower.

A month ago, the rate was 100 and 3-10ths of capacity with a yield of 1,912,000 tons, and a year ago, it was 94 and 1-10th per cent with a yield of 1,734,700 tons.

The institute noted that this is

## Crown Queen At Geneva College Friday Night

BEAVER FALLS, May 24.—Rain or shine, Geneva college will hold its annual May Day observance Friday evening at 8:30 o'clock.

The certainty of the date is made possible by scheduling the colorful exercises for the college auditorium which will be attractively decorated for the occasion. In recent years, unfavorable weather often has caused postponement or last-minute shifting of the affair to an indoor site.

**To Crown Queen**  
Highlight of the evening will be the crowning of Mary Lou Irwin, senior from Monongahela, as May queen. Miss Irwin was selected for the honor in an all-school election earlier this year.

Barbara J. McBride, Beaver Falls, senior, was chosen maid of honor, and M. Beth Robb, Topeka, Kan., senior, was voted scepter attendant.

Six other women will serve in the court. They are Mary M. Reed, Gertrude Townsend Weaver and Jo Katish, Wilmer, all of Beaver Falls; Viola H. Curtis, Newark, N. J.; Sylvia B. Wilson, Lakewood, N. J.; and Emilita Rodriguez, Havana, Cuba.

A pageant will follow the coronation. Coeds will be featured in a variety of dances, and a number of vocalists will add to the entertainment.

The program will be open to the public free of charge.

## Around Hollywood

By FRANK NEILL  
(International News Service Staff Correspondent)

HOLLYWOOD, May 24.—Movie magicians seldom get their names in lights, yet a prop man is the only guy in pictures who could shoot an arrow in the back of Bob Hope's britches and get paid for it. The arrow gimmick was typical of gags prop men must stage each day.

The script for "Fancy Pants" called for an Indian to puncture the back of Hope's lap with an arrow. Paramount prop man Bob Goodstein promptly stuck a hunk of balsa wood inside the actor's trousers, strung an invisible wire to an offstage vantage point and then shot the arrow down the wire from a slingshot.

**Easy Does It**  
Whenever you see movie heroes heaving knives on the screen, you can wager that actually some prop man is on the sideline, out of camera range, "shooting" the blades with slingshots.

Dick Brandow, another prop man, had to crush 20,000 paper bills for the kidnap thriller, "Union Station". The dough represented \$15,000 ransom supposedly paid by a blind gal's father for her freedom.

Brandow, who once had to stuff a wild boar for "Bride of Vengeance", explained: "No smart kidnaper would accept new bills. He'd insist they

be used and unmarked. So we had to wad up our stage money to look like real moola."

**Looks For Real**  
Probably you have watched an actor stab his victim with a long knife or spear, the wicked-looking shiv entering the poor character's back and emerging from his chest. Actors are expendable, but not that way. Actually the prop man uses a two-piece telescoping knife to gain the gory illusion. The effect is amazingly real.

And blood that drips from "wounds" usually is chocolate. One of the toughest tricks is to create the illusion of frost from the mouth of actors who are supposed to be pacing streets in zero weather.

Prop men, strive as they may,

have found no solution to this puzzler short of photographing the scene in an ice-house. 'One ice-plant in Hollywood operates a room strictly for the use of studios, who rent it for \$300 a day.

Snow you see in scenes shot on sound stages actually is corn flakes and gypsum.

And rain scenes are rarely filmed in real rain. Overhead sprinkler-pipes douse the actors artificially because rain does not photograph like rain.

The first political party national platform was adopted by the Republicans in 1832.

## Try And Stop Me

By BENNETT CERF

In Beverly Hills, says Ralph Hancock in Fabulous Boulevard, there is an oversized manhole cover that is the scene of feverish activity late each night. A truck drives to the spot and pumps gallons of crude petroleum—a precautionary measure to keep one of the most glamorous strips of Wil-

shire Boulevard from blowing up! A lot nearby—not a corner property—sold for \$1,700 in 1909, for \$450,000 in 1949.

Readers have sent in a lot more of those "bargain book" items combining two or more famous titles in one. Marjorie Whitol, for instance, submits: The Brave Bullfinch's Mythology, Blood and San Michele, The Grapes of Basil Rathbone and Iphigenia in Aulis and Heaven, Too. Roger Angell suggests Howard's End as a Man's

Hope of Heaven's My Destination Tokyo (wow!), Huckleberry Finnegan's Wake and Life With Father off the Brideshead Revisited. And Charles Lawrence comes up with Monsieur Beucaire and Feeding of Infants, Ten Days That Shook the World Almanac, and Lo, Hear the Gentle Larkansas Traveler.

**DOG BLOOD DONOR**  
SPRINGFIELD, Mo.—"Queenie" is just a mongrel, but a millionaire

could not buy her from her owner. He is Dr. F. D. Gentry, veterinarian in a Springfield animal hospital, who disclosed that Queenie has saved the lives of more than two hundred dogs by giving blood transfusions. "She never winces when we open her vein," related Dr. Gentry. "Of course, there's practically no pain and we don't take more blood than she can spare. But she gives three or four transfusions a week, and never shows any ill effects."

When You Know the Answers You'll See Why

# MARVEL BREAD Is Your Best Buy!

**What Makes MARVEL Bread More Nourishing?**

**ANSWER:**  
Penny for penny, Marvel is richer, more nourishing than any other bread among America's 10 leading brands. Marvel has more protein... more vitamins and minerals... more of the essentials your children need. Marvel is specially enriched—in excess of government standards.

**What Makes MARVEL So Deliciously Soft and Tender?**

**ANSWER:**  
Marvel is wonderfully soft, light, and tender because it's always absolutely fresh... dated fresh daily. The freshness date is plainly printed on the end seals of every wrapper. Remember—when freshness fades, flavor fades.

**What Makes MARVEL So Extra Delicious?**

**ANSWER:**  
Marvel is unsurpassed for fine flavor because its specially rich formula calls for more expensive flour and the best quality ingredients obtainable.

**What Makes MARVEL Such an Outstanding Value?**

**ANSWER:**  
Penny for penny, no other bread among America's 10 leading brands gives you more for your money than Marvel. It's your best buy in bread!

You Have Your Choice of 14 Different Varieties of Marvel Bread Every Day

No Other Bread Tops MARVEL Among America's 10 Leading Brands Or Double Your Money Back

We make no exaggerated claims for Marvel Bread. Marvel goodness and freshness spring only from the use of finest ingredients, properly blended, and baked as carefully as you would bake at home. Double your money back if you don't agree that no other bread among America's 10 leading brands offers a finer, fresher, more nutritious bread, and better value, than Marvel Bread.

## New York Stocks

Stock Market  
At New Highs

NEW YORK, May 24.—(INS)—The stock market rose to new 20-year highs today under buying spurred by the new General Motors peace pact with the auto union.

General Motors was among the outstanding performers, opening 2 1/4 points higher on a block of 25,000 shares, and holding close to this level thereafter. Allied Chemical jumped 2 1/2 to 253 1/2. DuPont was up 3/4 to 80 3/4; American Cyanamid was up 1/2 at 70 3/4; American Can up 1/2 at 120 and Chrysler up 3/4 at 70 3/4.

Homestake mining responded to an increased dividend with a jump of 1 1/2 points to 44 3/4.

Standard of New Jersey was prominent in the oils with a rise of nearly a point to 76 3/4. Southern Pacific was the leader in the rails with a gain of a point to 58. Union Pacific was up 3/4 at 87 3/4; and Atchafalaya was up 1/2 at 11 3/4.

Commodities were higher. Wheat was up 5¢, corn up 3¢ and cotton 95 cents a bale higher.

## Lions Hosts To Industrial Men

### Speaker Says Security Is Labor's Big Demand

Addressing members of the New Castle Lions club and their guests, industrial leaders of the city, Joseph C. Bevis told the group at a luncheon meeting in The Castle-ton Tuesday noon that security is the key problem facing industry in its relations with labor.

Mr. Bevis is vice president of Opinion Research Co., which furnishes detailed reports on its research among the laboring group of 70 large corporations in the United States, along with research on opinions in other matters. The subject of his address was "What the Industrial Worker Is Thinking About."

**Higher Productivity Needed**  
Security, he stated, is something which everyone is striving for. It was in the name of security that Lewis called out the miners this winter, and Reuther the Chrysler auto workers.

The only way that industry can

meet the demands imposed by labor is to attain higher productivity. Progress in this regard has not been satisfactory. He presented the facts gained by interviewing labor in this regard. In spite of the demands by union heads that company management supply the entire cost of a retirement pension, surveys revealed that 72 per cent of A. F. of L. union men favored a plan whereby the laboring man contributed to this; 63 per cent of independent unions favored employee contributions, and 62 per cent of C. I. O. members favored employee contributions. This shows, Mr. Bevis stated, that the labor leaders do not know what the workers want.

A majority of workers, he stated, do not realize that their own security is tied up with increased productivity. A majority of the workers were of the opinion that business and management would be the principal beneficiaries of increased production, in spite of the fact that a study has shown that the worker has received the greatest portion of increases in the price of manufactured commodities.

#### Issue Will Be Lasting

Literacy tests revealed that the well informed worker was aware of these facts, while the poorly informed and those of a lower type of intellect just would not concede the facts.

Charts of a number of these studies were presented by Mr. Bevis.

In concluding, he stated that the issue of security was going to last for some time and will be a real factor in labor relations for a number of years. Mr. Reuther of the United Auto Workers, he stated, has announced that the next goal of the unions will be for a guaranteed annual wage.

The problem confronting business and management is to educate the worker on what manage-

ment can pay without destroying the country's economic system, he stated.

Mr. Bevis was introduced by Paul G. Dingledy of the Penn Power company, while Dr. Wilbur E. Flannery, chairman of the civic and community activities program, introduced the guests.

Two new members were introduced. They were: Robert W. Bowman of Universal-Rundle corporation, and Stanley Krause, vocational advisor of the Terrace avenue trade school. Among the guests was Ralph Spence of the Butler Lions club.

President Sam Rashid announced a meeting of the directors for Thursday noon in The Castle-ton.

## CHEWTON

# BRISK

(the miracle WAX-STARCH)

gives clothes that brand-new look  
*every time they're washed!*

#### DOES FAR MORE THAN ANY STARCH

Wonderful new Brisk is not just a starch, but a wax-starch! That's why it's better than ordinary starch in four wonderful ways:

- Brisk gives clothes that finish and body they had when brand-new!
- Brisk gives shirts that crisp look without that harsh, scratchy feel!
- Brisk makes washables keep their 8 o'clock freshness all day long!
- Brisk cuts 15 minutes out of every ironing hour (on Brisk-finished garments)

Brisk does far more than ordinary starch because it is a wax-starch... a concentrated, liquid blend of special starches and the miracle fabric wax, called Drax, perfected by the makers of Johnson's wax. The tiny, invisible particles of wax in Brisk penetrate the fibers of any woven material, leaving a finish that is far smoother, far more lustrous. And clothes look and feel brand-new, month after month, when dipped in Brisk on washdays!

#### FAR EASIER TO USE!

No boiling, no straining! Just add hot tap water to a half cup of Brisk—swish for an instant—and mixing is done. Then dip garments in the Brisk solution, and squeeze while immersed. Be sure to try Brisk next washday!

Concentrated—economical!  
Only 39¢ a pint  
Makes over  
a gallon... save  
for re-use!

#### MONEY-BACK GUARANTEE

Use Brisk according to directions. If you don't agree it gives a better finish than anything you have ever tried, just mail the unused contents in the bottle to S. C. Johnson & Son, Inc., Racine, Wisconsin. Full purchase price, plus postage, will be refunded.

# Senators And Johnstown Will Play Twin-Bill Booster Game Tonight

## First Game Tonight, 6:30; Zedalis, Rossman To Pitch

New Castle's "Boost the Senators Night" will be carried off this evening (weatherman concurring) with the same schedule as arranged for last night's rain-out proceedings, except there will be a double-header tonight, the first game starting at 6:30 o'clock.

With two games, one a seven-inning affair, the other a regulation nine, to appease the fans, the largest crowd in years will no doubt pack the popular P. J. Flaherty Memorial Field. Baseball here is definitely on the upgrade after two lean years.

**Zedalis And Rossman To Pitch**

Manager Chuck Cronin has entrusted the pitching duties tonight to two young right-handers, Stanley Zedalis (3-1) and Bernard Rossman, (0-1) to the Senators hurling in the bargain bill. Zedalis is slated for the first stint, Rossman going in the night-cap.

Zedalis holds victories over Johnstown, Youngstown and Butler, Rossman's loss came as relief hurler at Niagara Falls, last week. The Senators in the hold of a two-game losing streak to Butler, hope to snap out of it tonight and administer a couple of defeats to the Johnnies who while holding the cellar spot, are a dangerous club and liable to explode any time.

Manager Roy Nichols at an early hour this morning was undecided on his pitching selections for tonight, but has his best flingers ready to face the second game Senators.

### Senators Strong

There is no cause for alarm over the two losses to the Butler Tigers, the Senators have one of the best balanced clubs in the league, and are strong defensively. At the moment the Senators have only two regulars batting among the league leaders — Bill Horne with a .418 average and Herman Kiel with .345, while Dick Ackerman a valuable utility man is banging the ball at a .462 clip. Other Senator leaders are: George Eikenberg .292, Johnny Vizzini .289, Gene Bilo .275 and Danny Dondero .250.

### Good Clutch Hitters

As said before the Senators are not fence busters by any means, but have developed into good clutch hitters. Any one of them can be dangerous up at the dish. Tommy Famiglietti and Al Mouton will soon start hitting and the locals are going to win a lot of ball games.

### There is nothing wrong with the Senators that a little pitching won't cure.

The hurling staff has been overworked with Wagner ailing and Cronin not ready to take his turn. The rounding into shape of these two veterans will mean a whole of a difference in the win column, and will take the pressure off Zedalis, Becka, Churchill, Janacone, Rossman, Schultz and Marino.

### Hope For 2,000 Fans

In the event of good weather tonight, and the weatherman has promised a nice warm sun-shiny day, and warm evening the ball park should be packed tonight as the fans and citizens gather to pay homage to a gang of swell kids who are giving New Castle the

kind of baseball that they should have had years ago. The Senators tonight will wear their new white uniforms tonight for the first time. Blue socks and caps will accentuate the color scheme and they will make a very neat appearance, as they scamper out on the field for the first game of the twin bill.

A crowd of over 2,000 will make the Senators feel that they are appreciated. Let's get out and root the boys home with a pair of victories tonight. The prices again \$1.00 box seats, 75 cents for general admission men, 50 cents for ladies, and 25 cents for children under 12.

## Bill MacDonald, Young Pirate Hurler Pitches Shutout Over Phillies 6 To 0

By HOWARD SIGMUND  
(International News Service Staff Writer)

NEW YORK, May 24.—(INS)—Young Bill MacDonald, first bonus player to be signed by the Pittsburgh Pirates, began paying off a handsome dividend today.

The 21-year-old right-hander from Alameda, Cal., became a member of the Pirate organization three years ago. Last season at New Orleans he won 13 and lost 11, striking out 137 batters to finish second behind ancient Bobo Newsom in the Southern Association.

MacDonald was brought up to the parent club at the beginning of the current season and Pittsburgh bigwigs are hoping that

their \$100,000 investment in lefty Paul Pettit stands up as well.

For in his first Major League start last night, MacDonald shut out the flying Philadelphia Phillies, 6 to 0, rationing them to just three hits. The big blow of the game for Pittsburgh was Wally Westlake's fifth homer—a grand slammer in the eighth inning off loser Russ Meyer.

The loss kept the Phils a full game behind the Dodgers in the National League's battle for first place.

Brooklyn ran into Johnny Schmitz and the Chicago Cubs yesterday and they were upended by the cagey veteran, 5 to 4.

Willie Ramsdell, the knuckleball expert, pitched the Cincinnati

Reds to a 6 to 2 victory over the Boston Braves in a night game. The New York-St. Louis night game was rained out.

### Senators Win

The Washington Senators, big surprises in the American League against such formidable foes as Sharon, Aliquippa, Beaver Falls, Ambridge and Ellwood City.

After making a romp of the section, Farrell downed Beaver, of Section 6, 3-2, Monday afternoon at Beaver.

Bessemer, the class of Section 8 comprised of Lawrence County teams, has been idle since Monday, May 9, when the Cementer nine clinched the pennant in Section 8 with a win over Wampum. Coach Al Russo's nine then drew a first round bye.

There is no class A or class B in WPIAL baseball. Although the Cementers must take the field against a much larger school, they rate a good chance of taking the measure of the Steelers.

Steve Butchko is the leading twirler for Farrell. He allowed only two unearned runs and three hits last Monday. The Steelers will probably lead with their ace again tomorrow against Bessemer. Beside being one of the WPIAL's

## Rick's Horses At Northville

Trotters, Pacers In Feature Races

Joe Rick, owner of the J. R. Rick Stock farm, today took some of his trotters and pacers to Northville, Detroit track to begin the summer's harness racing season. The horses were trucked to the track.

Among those who will reach the track this evening are:

Trotters: Porter Day, 2:06 1/4; Abbe Astra (green trotter); Volation, 2:03 1/4; Captain Pat, 2:10 1/4 and Remington, 2:08 1/4.

Pacers: Bonnie Counsel, green pacer who has not got a mark.

From Northville, Rick will go to Maywood, Chicago; Sportsman's Park, Chicago; then back to Northville, later to Painesville and thence to Toledo.

At Sportsman's park, Rick has entered Porter Day in a \$10,000 Stake and Remington, in a \$5,000 Stake.

While at Toledo, Mr. Nibs, a pacer out of Nibble Hanover, a noted sire, will race in a \$10,000 stake, in a \$15,000 Stake at Bloomsburg and in the \$10,000 Horemans Futurity at Indianapolis.

Mr. Nibs is being trained now at the Rick stock farm and Joe expects to enter the colt procured from the Hanover farms, and from whom he expects great things, in the Little Brown Jug event at Delaware, O., next year.

Both Mr. Nibs and Army Hal, 2:04 1/5, also a pacer will race at Painesville.

Rick drives all his own horses.

People who have been watching baseball for a half century or so will tell you almost unanimously that there never was the equal of Ty Cobb.

## Bessemer, Farrell Clash Here In WPIAL Playoff

Bessemer and Farrell will engage in a second round WPIAL baseball playoff game at Flaherty Field Thursday afternoon at two o'clock.

The Steeler nine earned its way into the playoffs by winning the tough Section 7 of the WPIAL against such formidable foes as Sharon, Aliquippa, Beaver Falls, Ambridge and Ellwood City.

After making a romp of the section, Farrell downed Beaver, of Section 6, 3-2, Monday afternoon at Beaver.

Bessemer, the class of Section 8 comprised of Lawrence County teams, has been idle since Monday, May 9, when the Cementer nine clinched the pennant in Section 8 with a win over Wampum. Coach Al Russo's nine then drew a first round bye.

There is no class A or class B in WPIAL baseball. Although the Cementers must take the field against a much larger school, they rate a good chance of taking the measure of the Steelers.

Steve Butchko is the leading twirler for Farrell. He allowed only two unearned runs and three hits last Monday. The Steelers will probably lead with their ace again tomorrow against Bessemer. Beside being one of the WPIAL's

leading pitchers, Butchko also bats clean up for the Steelers.

### Tanner To Start

Bessemer combined good steady defensive play and timely hitting to nail down the Section 8 pennant. Russ Cracraft is the leading slugger with an average close to .500. Lynn Tanner has been the most effective twirler for the Cementer nine and will probably get the call from Coach Russo.

Al Scarazzo, president of the New Castle Senators in the Mid-Atlantic league, has graciously donated the use of Flaherty Field to the WPIAL championship contenders.

## Del Crandall Out For Several Weeks

BOSTON, May 24.—(INS)—Veteran Walker Cooper was faced today with handling most of the catching chores for the Braves for the next ten days to two weeks because of an injury to Del Crandall. Team physician Dr. Roger T. Doyle ordered Crandall sidelined for that period to allow a broken finger on his right hand to heal. Crandall fractured the digit in Monday's exhibition game against Holy Cross in Worcester.

## Indies Meet Franks Today

Five Games Carded For Thursday Evening

Rain prevented any games in the City Baseball league Tuesday. However, the Lawrence Indies and Franks will clash at 6 o'clock today on Chmura field.

The Indies have won four and dropped two and the Franks have captured a trio and lost two games, which give their teams percentages of .666 and .600, respectively.

St. Margarets lead the league with six games won and none lost while the Universals are in second place with four games won and one lost for a percentage of .800. Games calendared for Thursday evening follow:

Lawrence Indies at West Pittsburgh.

Fees at Universals.

Field artillery at St. Margarets.

Franks at Croton.

Ecclesiastics at DeCarbos.

DeCARBOS VS. ARTILLERY

Carm De Leone announced at 9 a.m. today that the Field Artillery and DeCarbos would play at 6 p.m. today at Lee avenue.

# HERE and THERE IN SPORTS LAND

AS THE GAME-FISH SEASON draws near, the annual question about the reciprocal fishing license regulations for the Pymatuning reservoir arise. Many persons from western Pennsylvania and eastern Ohio want to know just where their fishing license entitles them to fish.

The laws of both states appear to confuse many anglers. They spoil their fishing trips to the big pond by worry over getting into trouble.

To add to the confusion, various unfounded rumor float around, and regardless of the origin, these disturbing stories are accepted by many as laws for fishing the Pymatuning. All fishermen should refer to their fish laws for the authentic information, whether they be of Pennsylvania or Ohio. Many mouth to mouth rules can be cooked up around a lake that has a 70 mile shore line reaching into two states, according to Seth L. Myers of the northwest division, State Federation of Sportsmen.

In the 1950 copy of Pennsylvania Fish Laws, it states distinctly just what the privileges are at the Pymatuning as agreed to by both states. If a person living in Ohio has a resident fishing license it is lawful for the person to fish anywhere in the reservoir from a boat. This applies likewise to persons living in Pennsylvania and having resident fishing licenses. The licenses are reciprocal as far as fishing from boats are concerned.

If a person lives in Ohio and desires to fish from the shore in Pennsylvania, the person must have a non-resident fishing license from this state. The same is true with Pennsylvania residents who desire to fish from land in Ohio.

It has been asked many times if it is alright for a resident from Ohio to drive up the Pennsylvania side and put a boat on the lake, for the purpose of fishing, while having only an Ohio resident fishing license. The same question is asked about anglers from Pennsylvania putting boats on the lake from the Ohio side.

There is nothing in the laws of either state that forbids this. The fishermen may also leave the lake by this course without having non-resident licenses. The laws simply provide that non-residents fishing from land in either state must have non-resident fishing licenses. The game-fish season of both states, for the Pymatuning, starts on July 1, and are listed as muskellunge, pickerel (yellow pike), black bass and pike perch. The season is open on all other species now.

## California Rowers

### Will Defend Title

MARIETTA, O., May 24.—(INS)—The University of California will be forced to defend its national rowing championship against at least 11 of the nation's outstanding crews in the Marietta regatta June 17.

Regatta committee officials announced today that virtually every top name in collegiate rowing will be entered in the Ohio river event—among them, besides California, Columbia, Cornell, Navy, Syracuse, Pennsylvania, Stanford, Wisconsin, Princeton, MIT, Rutgers and Washington.

## LEAGUE MEETING TONIGHT

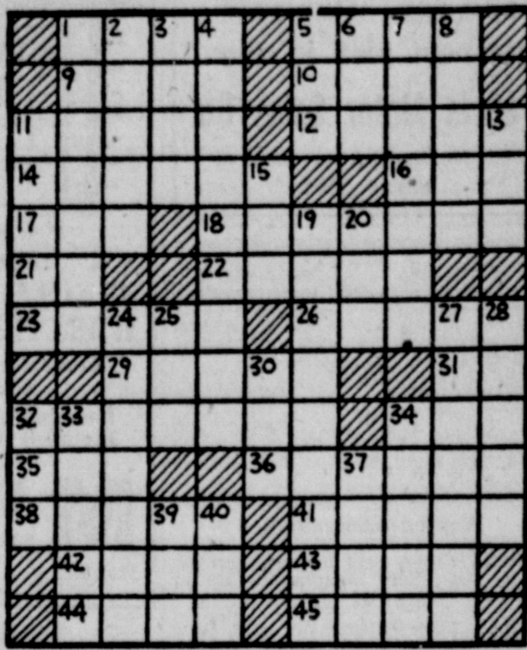

There will be an important meeting of the North County league tonight at 9 o'clock at the fire house in New Wilmington. Managers or representatives of each team are requested to be present.

Wagner was according to the old-timers—a tremendous shortstop, and we know he was the greatest hitter the National league ever produced. He set records that still stand.

The signed contracts of defensive halfback Howard Hartley and rookie wingback Larry Conney are filed at the Pittsburgh Steelers' office.

## Phillies Pitcher

### Exudes Confidence

LANCASTER, Pa., May 24.—(INS)—Whiz Kid Curt Simmons, the blossoming \$65,000 bonus beauty, is convinced today the 1950 Phillies will finish no worse than third in the National league standings.

The Phils' young fire-balling southpaw, apparently coming into his own as a crack hurler with a current record of five wins against two defeats, told the Lancaster Boys' Club:

"We can finish on top. The Dodgers are tough and so are the Cardinals and, for that matter, so is Boston.

"But then, so are the Phillies. I think we'll be first or second and certainly no worse than third."

BOUT RE-SCHEDULED

PITTSBURGH, May 24.—(INS)—Rain last night forced the second postponement of the Bob Baker-Sid Peaks heavyweight fight, then the ten-round bout was re-scheduled for next Monday night at the nearby Zivic arena.

## Questionnaires Not Returned By Registrants

Although no men are being drafted for service in the Armed Forces at the present time, youths are required to register with the local boards of the Selective Service System, located in the Greer building, 24 N. Mercer street, on their 18th birthday.

The law requires them to register within five days after becoming 18, or within 30 days after discharge from service in the armed forces.

Quite a number of registrants have failed to return their questionnaires, it is found, and officials of the local board have classified them as delinquent, which carries a penalty if continued neglect is shown.

These men, or members of their families are asked to contact Local Board 87 of the city, in regard to this matter at once.

## Buy U.S. Bonds

By CHARLES SAWYER  
Secretary of Commerce  
Distributed by International News Service

WASHINGTON, May 24.—Support of the Independence Savings Bonds drive is one of the best ways in which the average American can invest in his own future.

The purchase of U. S. savings bonds not only builds up the family and community reservoir of buying power; it also represents the world's finest investment in individual independence and security.
